

Accountability and Waiver of Liability of Participants

ACCOUNTABILITY

The participants (applicants, drivers, co-drivers, motor vehicle owners and registered keepers) attend at to this event their own risk. They are fully in charge by civil and penal law for all kind of damage, caused by themselves or the motor vehicle they are using. In case the driver is not motor vehicle owner or registered keeper, he releases the in the above waiver of liability mentioned persons from any claim of motor vehicle owner and registered keeper or states with the registration an according disclaimer.

Waiver of Liability

The participants (applicants, drivers, co-drivers, motor vehicle owners and registered keepers) abandon with their registration the right to proceed or regress for all accidents or damages caused in the context with the event against:

- the organizer, his delegates, athletic directors and assistants,
- the participants and their assistants as well as against own assistants
- the operator of the racetrack, public authorities or other persons who are connected with the event.

The organizer reserves the right to following withdrawal:

- cancellation of the contract with the racetrack operator or by him.
In this case no regress can be claimed.
- if participant disturbs the event, behaves contrary to contract or put others at risk through his behavior. In this case a payback of the charge fee is not possible.

The signatories notice and know that the organizer has not engaged route guards (race guard assistants).
